

HIPAA Privacy Notice

Notice of Breach:

Due to the nature of the breach, we feel that there is minimal risk of future impact, as the information included in the breach **DID NOT** include Social Security Numbers.

What Happened: On July 20th, 2018 it was discovered that one of your medical providers sent information via an unsecured email address.

What information was involved: Notes included resident name, date of birth, and limited medical information.

What are we doing about it: We have restricted access to all users of our electronic medical record system.

What can you do: Although we feel that there is minimal risk for future impact, you can reach us via our toll-free number (844)894-2988, ask that a call be returned by the HIPAA Privacy Officer – Amy King.

We apologize for any stress and worry this situation has caused you. We are committed to providing quality care and keeping your information safe and secure. Finally, please do not hesitate to contact us with any questions about this incident or if you need additional information on what you should do as a result of the breach.

Amy King – HIPAA Privacy Officer
